cers were re-elected for 1933.
Respectfully submitted,
H. V. HAASS, Sec.-Treas.

TO THE MEMBERS OF MEDINA COUNTY AID SOCIETY.

Don't let anyone mislead you by
the advice that Mutual Aid Societies
would have to dissolve or cease to
operate should their membership ever
fall below the 50% rate of the face
value of their policy. A law was
passed by the 42nd Legislature in
1931 that all local mutual aid asso-
ciations doing business under a license
and permit of the State Insurance
Department, organized and in exist-
ence and operation for ten years or
more, have a right to continue to op-
erate even if they pay only 25% of
the face value of their policy.
This is in reply to agitation mis-
representing the true conditions and
facts in controversy.

President
Medina County Aid Society.

CHAMBER OF COMMERCE MEETS.

At the mass meeting Monday night
the Chamber of Commerce re-elected
W. N. Saathoff, H. F. King and
George Carle directors to succeed
themselves, their terms having ex-
pired.

No steps having been taken to re-
finance the Chamber of Commerce
a subscription list was started at the
meeting and nearly everyone signed
up for support of the same. This list
is now being circulated by a commit-
tee headed by George Carle, and
every one will be asked to help.

AT METHODIST CHURCH.

Blessed is the Community that has
the ministry of the Christian Church.
However, there are many that ignore
its ministry and give little concern
to this the greatest institution that
ever graced any community or nation.
There come times, however, when we
are reminded of its worth and when
we turn to it for comfort and seek
its ministry, for we feel our need of
something to help us in this hour of
sorrow and grief.

Blessed is the individual that real-
izes that the Church of Jesus Christ
has a message for him and regularly
he seeks its altars and feasts his
immortal soul upon its holy fellowship.
For has not the great teacher said:
"The life is more than meat, and the
body is more than raiment." Again,
an inspired writer has said: "The
kingdom of God is not meat and
drink; but righteousness, and peace,
and joy in the Holy Ghost."

We do well to come into contact
with this Holy Institution that the
Lord God has placed here for our ed-
ification and to lead us into the light
of His eternal truths. It is also fit-
ting that in this connection we be re-
minded that every individual possess-
es dual nature, which is composed of
the carnal nature and the spiritual
nature. One of these is directing
every life. We are either being pos-
sessed and directed by the carnal
mind or else we have come to give
the keeping of our very lives into the
hands of the Lord Christ who came
to set the captive free.

It is as a result of effort and even
sacrifice that we are privileged to
have fellowship with the spiritual
forces in this life. But this effort and
sacrifice is very trivial compared
with the values that we derive from
the spiritual interpretation of life.
Beloved, avail yourself of the high
privilege that is afforded you every
congregation. It is there that we
Sunday to worship God in the public
catch the gleam that makes life worth
while; there man finds his highest
inspiration to meet life's responsibil-
ities; there he finds a haven from
the storms of life; there he receives
courage to start all over again; there
in communion with kindred spirits he
can know the mysteries of life.

No man or woman should let a
Sunday pass without making their
way to the House of God for fellow-
ship and worship. God has given you
a spiritual nature; you owe it to your-
self, to your family, to your nation,
to your God to give your spiritual
life a chance to grow and expand in-
to the likeness of Him who gave it
to you. No sane and sensible indi-
vidual will deliberately neglect his
deepest need nor stunt his divine
nature. May the God who made us
and in whom we believe help every
one who reads these lines to set for
himself a goal of spiritual enrich-
ment.

We say go to your preferred place
of worship, if you do not have a pre-
ference we most cordially invite you
to worship in the Methodist Church,
where we are trying to point out the
way to that more abundant life. It
matters little what our petty beliefs
may be or our particular creeds, the
thing important is that we know Him
who came to save from sin.

Morning worship, Sunday school
9:45
Preaching service 11:00.
At the evening hour Rev. F. B.
Buchanan will preach and after the
service hold the first quarterly con-
ference.

TEXAS' NEW GOVERNOR.

Mrs. Miriam A. Ferguson.
Inaugurated Governor of Texas
Tuesday, January 17, 1933.

DR. H. S. KIRBY DEAD.

Dr. Henry Shepherd Kirby, aged
65 years, died here Tuesday morning,
January 17, 1933, after an illness of
some three weeks.

He was born in Peach Tree Valley,
Tyler County, July 21, 1867, and
was one of a prominent family in that
section of the State, being a son of
James L. Kirby and nephew of John
H. Kirby of Houston.

Dr. Kirby was a graduate of South-
western University at Georgetown
and took his medical courses in the
University of St. Louis and Tulane
University.

The physician had practiced medi-
cine and surgery for 40 years and
for the past 32 years had been on the
medical staff of the Kirby Lumber
Company.

Soon after graduation at Barnes
Medical College, University of St.
Louis in 1897, deceased was married to
Miss Mary Bell Wall, April 11,
1897, who with the three children
born to them, Mrs. Mattie Bell Har-
lee, Hallie Mae and Steward Weir
Kirby, and one grandson, James
Staton Harlee, survive him. Also
one sister, Mrs. A. M. Hill, of
Kountz, Texas, and two half brothers,
John Tom and Frank K. Kirby, sur-
vive.

The funeral services were conduct-
ed at the Horder funeral chapel Wed-
nesday morning, January 18, at ten
o'clock by Rev. P. E. Lancaster of
the local Methodist church, after
which his Masonic brethren took
charge of his body and conducted it
to the cemetery, where, after the
beautiful Masonic burial service, it
was laid to rest.

This paper joins in sympathy for
those who mourn.

ANNUAL MEETING BOY SCOUT OFFICIALS.

Scouters and others interested in
the boy life of Southwest Texas have
been called to meet at Crystal City
on Monday at noon, January 23rd,
at the Community Club Building,
by President E. K. Fawcett of Del
Rio.

Many of the Southwest's leading
men are expected to be present, and
have a part in this meeting. James
P. Fitch of Dallas will be present,
and will be the luncheon speaker. The
group will meet with the Rotary Club
and this meeting will be one of that
Club's Boys' Work programs.

A review of the year's work in
Southwest Texas will be reported by
Chairmen of several standing com-
mittees; among them will be a report
of the camp and camp site committee,
telling in detail the camping program
of the entire year, as well as the use
of the camp site during the summer
months when more than 500 camper
weeks were recorded.

Three troops will receive the
"President's Award", a flag present-
ed by the President of the United
States to those troops meeting cer-
tain requirements.

The Ten Year Program will be the
highlight of the meeting, and Mr. Fitch
will speak on this subject which will be
interesting, as well as instructive. This
program of reaching one boy in four
every crop of twelve year olds,
in order that ten years from now one
fourth of the participating or voting
citizens will be Scout trained, is very
much worthwhile. This was launch-
ed in answer to a challenge of Presi-
dent Hoover, and the National Child
Welfare Association to reach more
boys with Scouting.

Every community where Scouting
has been organized is being asked to
be represented. President Fawcett
expects a good attendance at this
annual meeting. The officers will
be elected again for the ensuing year,
and committee chairmen will be ap-
pointed.

Messrs. W. N. Saathoff, Henry
Merriman, O. A. Fly and others from
Hondo are expected to attend.

SCOUT HEADQUARTERS.

MARVIN GEORGE BRITSCH.

Marvin George Britsch, son of John
G. and Emma Britsch, was born De-
cember 12th, 1924, and died at the
Medina Hospital, January 14th, 1933,
at 1:15 P. M. Age 8 years, 1 month
and 2 days.

Funeral service was held at the
home and family cemetery, conducted
by the pastor, assisted by Rev. Leib-
farth, pastor of the Hondo Lutheran
Church.

Marvin's stay on this earth was
and still remains an inspiration to
all who knew him. He was a good
boy, obedient, patient, loving, always
cheerful, bringing sunshine and hap-
piness to all—Elended in his per-
sonality were the graces of Faith,
Love and Fortitude.

He was Christened in the home of
his grandparents, Mr. and Mrs. Geo.
Bohmalk at New Fountain, March
8th, 1924. He always was a regular
attender at Sunday School and
church services—always found him
in one of the front pews and very
attentive at all services.

We recount the many deeds of our
beloved little friend who has gone be-
fore, and as it is written in the beau-
tiful seventh chapter of Revelation—
He has gone to join the innumera-
ble hosts around the throne of God.
Our hope is glorified by the Balm of
Gilead, and we can feel that our loss
is his gain.

He has passed to receive the gift
of endless life.

He leaves to mourn his early de-
parture his dear parents, one brother,
both grandparents and many other
relatives and friends.

His Pastor,
E. W. DECHERT.

QUIHI COMMUNITY NEWS NOTES.

Then said Pilate—I find no fault in
this man. Luc. 23:4.

Thrice he had examined, thrice
he found no fault, and yet he sen-
tenced "this man" to death. A
judicial murder, foul and hideous.
The infamy follows his name like a
ghastly shadow. How often he must
have sinned against his conscience in
former days; now it seemed to be
dead to every reaction of truth and
justice. What chance he had to stand
up for "this man" and his spotless
record, and bravely defy prejudice,
fanaticism and callous mob-frenzy?
Why did Pilate fail? Was it fear of
an expose of his shady official car-
eer? Was he bargaining for popular
favor—that ever-modern siren be-
witching many a mighty Ulysses? Or
lacked he the moral backbone of a
he-man for critical decisions gone?
And does history repeat itself?

Mr. and Mrs. Willie Schuehle had
their baby-son baptized last Sunday,
born to them September 29, 1932.
Dwight Taylor were names selected
for the little man. Mr. and Mrs.
Geo. Saathoff did him the honor of
acting as sponsors. May he weather
the storms of life and find this planet
fairly comfortable under God's grace
and guidance.

And the social of the Luther Leag-
ue is a thing of the past, but mem-
ories of a pleasant evening will re-
main. About seventy members and
friends had made their appearance.
(We dare not ask for space in this
paper to append all the names).
"Bunco" kept the minds on the alert
and some hopes high. The spoils—
the prizes—went to the victors: Miss
Esther Bohlen, Mrs. Walter Grell and
Miss Ida Balzen; and to the Messrs.
Elmer Nietenhoefer, F. Boehle and
Hy. Schuehle. Thanks to many con-
tributions in the baking line, the
occasion could be topped with a gener-
ous supply of cakes, cookies, cocoa
and coffee. We are grateful to the
committee: Mrs. Andrew Schweers,
Miss Eileen Saathoff, Mr. Walter
Grell and Mr. Elmer Loessberg.
Those assisting in serving the deli-
cacies were the Mesdames Otto Lind-
eburg, Arthur Schulte, the Misses
Aima Grell, Alma Saathoff and Mr.
W. Schuehle.

DR. AND MRS. TAYLOR HOSTS.

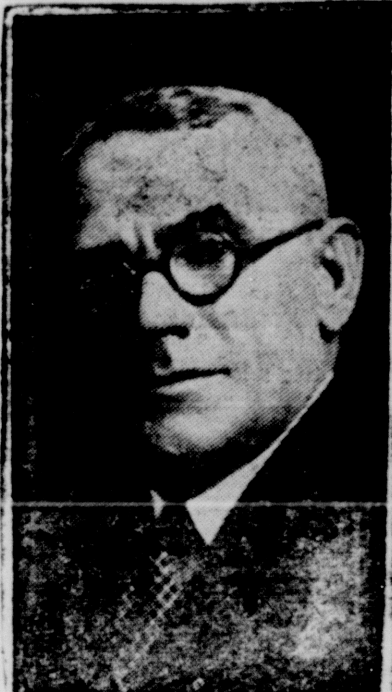

The night membership of the
Thursday Bridge Club and several
guests composed the personnel of
Wednesday evening's bridge with Dr.
and Mrs. O. B. Taylor as hosts. Frag-
rant bouquets of early spring flow-
ers, including purple violets, white
candytuft and pink stock, made at-
tractive decorations in the living
room and dining room.

Mrs. Horace Bradley and Dr. T. B.
Knopp received the bridge trophies
for high score. Mr. F. H. Schweers
won the guest prize.

Those present were Dr. and Mrs.
H. J. Meyer, Dr. and Mrs. W. H.

HOME RELIEF ASSOCIATION, ANNUAL MEETING.

The annual meeting of the HOME
RELIEF ASSOCIATION of Hondo,
Texas, will be held in Hondo, Medina
County, Texas, Saturday, January
28th, 1933 at 2:30 P. M. The pur-
pose of this meeting will be for the
purpose of electing a board of direc-
tors for the ensuing year and for the
transaction of such business as is nec-
essary for the advancement and good
of the association.
All members are requested to at-
tend the meeting.
H. H. CROW, Sec'y. Treas.

HON. OSCAR C. DANCY.

NOTICE FOR COUNTY DEPOSI- TORY.

Notice is hereby given that the
Commissioner's Court of Medina
County, Texas, on Monday, February
13th, A. D. 1933, at 10 o'clock A. M.,
in the Court House in the town of
Hondo, will receive bids from any
banking corporation, association or
individual banker, that may desire
to act as the depository of the funds
of Medina County.

And banking corporation, asso-
ciation or individual banker in Me-
dina County desiring to bid, shall de-
liver to the County Judge, on or be-
fore the time above set forth, a sealed
proposal stating the rate of interest
that said banking corporation, asso-
ciation or individual banker offers to
pay on the funds of the County,
computed on daily balances for the
term between the date the said bid
and the next regular time for the
selection of a depository. Said bid
shall be accompanied by a certified
check of not less than one-half of
one per cent of the county revenue
of the preceding year as a guaranty
of the good faith of the bidder, and
that, if his bid should be accepted,
he will enter into the bond as pro-
vided by law for county depositories,
and upon the failure of the banking
corporation, association or individual
banker in said county that may be se-
lected as such depository, to give the
bond required by law, the amount of
such certified check shall go to the
county as liquidated damages.

The county reserves the right to
reject any and all such bids.

Given under my official hand and
seal of office, this the 18th day of
January, 1933.

R. J. NOONAN,
County Judge, Medina County, Texas.

ST. PAUL'S LUTHERAN CHURCH.

The annual meeting of the con-
gregation was occasion for electing
two new deacons to serve on the
church vestry. The newly-elected
are Mr. Ernest Boehle and Mr. Robert
Brucks. These men were install-
ed into office at the impressive in-
stallation service held last Sunday.
We trust that they may be a blessing
to our congregation for the next two
years. The officers whose terms ex-
pired are: Mr. F. R. Grube and Mr.
Andrew Bless. These men have served
faithfully for a number of years. The
past year has shown many blessings
enjoyed by us, as a congrega-
tion. The future requires that every-
one be loyal to his church and his
God and co-operate as never before.
Shall we not heed the divine call and
be strong and courageous: shall we be
cowardly and flee from the tasks He
has imposed upon us? "Quit you
like men, be strong."

Divine services will be held next
Sunday morning in the German lan-
guage beginning at 10:30. Sunday
school and Bible Class meet at 9:15.
There will be night service held at
7:30 P. M. in the English language.

THURSDAY BRIDGE CLUB MEETS.

Mrs. Earl Starnes was hostess to
three tables of bridge guests last
Thursday afternoon, entertaining
the members of the Thursday Bridge
Club and several additional guests.

High score prizes were awarded
Mrs. E. J. Leinweber for the Club
and Mrs. Garland Martin for guests.

Fletcher Davis, County Chairman of the Medina County Democratic Executive Committee, attended a meeting of the Executive Committee of the 15th Congressional District at Uvalde last Saturday. The Committee had planned for an early primary, to be followed by a run-off as required by law, but advice from the Attorney General's Department is to the effect that no actual vacancy can occur in the representation from the 15th Congressional District until March 4; that, for that reason, the Governor cannot call an election until the vacancy has occurred; and that, until the Governor has called the election, the Executive Committee is without legal authority to order a primary. For that reason, all acts of the District Committee so far are without effect and no further action can be taken until the vacancy actually exists, on and after March 4th, and the Governor has called a special election to fill the vacancy.

The Hondo Hornets, local girls basketball team, had their first practice Wednesday night, at the Fair Grounds. Indications are for a splendid team with new material, and a promising season ahead. Those reporting for first practice were Misses Elizabeth Holloway, Hettie and Regina Nester, Thelma Lynch and Mrs. Rudy Rath, new recruits, and Mrs. Joe Meyer, Misses Anne Brucks, Mary Ruth Cameron and Anne Davis, old players.

SAVES AN ENTIRE TOWN IN "THE FOURTH HORSEMAN".

Tom Mix and His Human Horse, TONY, Here For Two Nights.

Smashing Tom Mix and his newest

action-bombshell, "The Fourth Horseman", comes to the Colonial Theatre tonight and Saturday with dark-eyed Margaret Lindsay, scowling Fred Kochler and inimitable Raymond Hatton in the film's principal supporting roles.

The story of a rearin', tearin' cowboy who saves an entire town in real estate from bold, bad bandits for the girl he loves is said to bring the famed Western star to the silver screen in the true, old cowpunching fashion that has won him world popularity.

Such players as Buddy Roosevelt, Edward Cobb, Paul Shawhan and Rosita Marstini are also included in the picture's roster. Several were screen stars in their own right.

Nina Wilcox Putnam, the distinguished novelist, wrote the story especially for colorful Mix, and his inimitable (questrian) companion, Tony, is ever on hand in the exciting narrative. Hamilton MacFadden was the director of the screen-drama and Universal was its producer.

Next week—Clive Brook, Lila Lee, Charlie Ruggles, Gene Raymond, Frances Dee, Mary Boland and Adrienne Allen in "The Night of June 13".

Texas stands thirteenth in value of manufactures and fifteenth in number of wage-earners industrially employed. That Texas has an unusually large number of small factories, however, is shown by the fact that it stands eleventh among the States in number of manufacturing plants (5,198) or well above its ranking or wage-earners.

For Sale—\$1700., almost new cottage on graveled street, two blocks from High School building; five rooms, screened sleeping porch and bath; wired for electricity and piped for gas. New ceiling and paint throughout building; fireplace and two flues, sink, cabinet and large closets; large garage and hen-house; 120-foot front. Terms to suit purchaser. Apply at this office. tf.

The Texas pecan crop is estimated this year at 19,500,000 pounds, not very much more than half of the 32,000,000 produced in 1931, as a result of cold weather in March. Pecan-shelling and packing plants are a very considerable and a fast-growing industry in Texas, by reason of the large production of the State, representing usually more than a third of the national total, and their fall activities will provide employment for many workers both in the plants and in the gathering of the nuts.

Bring Home the Bacon

The man who always comes home with the bacon Knows what he's about, is seldom mistaken. He may not live in the greatest of style, But he gets what he needs that's really worth while. He always has money saved up in advance. Keeps his eye open, looks for the main chance. Some people may wonder how he gets along; It's saving his money, not doing things wrong. Senator Walter F. Woodul of Houston who was recently elected President Pro Tempore of the State Senate.

WALTER WOODUL NEW PRESIDENT OF STATE SENATE

Austin.—Senator Walter F. Woodul of Houston, one of Texas' leading attorneys and a member of the Senate for the past four years, Tuesday was elected President Pro Tempore of the Senate.

Leaving home at the age of fifteen, Senator Woodul taught school in Oklahoma, worked in a restaurant in Wichita, Kansas, to learn shorthand and later worked his way through the University of Texas.

He saw military service on the Mexican border and served as a captain in the World War. Later served as a Major of the cavalry in the National Guard and as a colonel on the personal staffs of Governors Hobby and Moody.

Senator Woodul organized the Houston Community Chest in 1922, the first chest to be organized in the South; has been active in civic work, president of the Houston Salesmanship Club and the founder of its Annual Gridiron Dinner, a statewide event. He served as director of the Houston Bar Association. For several years he was assistant general solicitor of the International Great Northern Railroad and during the reorganization thereof at the age of twenty-nine, he was president of the company.

In addition to being active in law and politics Senator Woodul is Trustee of the Sugar Land Industries and as such is interested in refining sugar and other manufacturing, merchandising, intensive farming of thirty thousand acres of rich bottom lands devoted to all produce crops, cotton, corn, rice, cattle and some three thousand acres of potatoes. The Industries also have oil and railroad holdings.

Senator Woodul had the distinction of being state manager of the Garner for President Campaign and was in charge of the Garner Headquarters at Chicago preceding the National Convention.

He is forty years old, married and has one boy.

PROHIBITING MISREPRESENTATION OF INSURANCE POLICIES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. No Life, Health, Casualty Insurance Corporation, including corporations operating as the cooperative or assessment plan Mutual Insurance Companies, or Fraternal Benefit Associations or societies, and any other societies or associations authorized to issue insurance policies in this State, and no officer, director, representative or agent thereof or thereof, or any other person, corporation or co-partnership shall issue or circulate or cause to be issued or circulated, or permit to be issued or circulated, or illustrate circular or statement of any policy issued by any such corporation or association or any certificate of membership issued by such society or corporation, or the benefits or advantages accruing thereby, or any misleading statement of the dividends or share of surplus to be received thereon, or shall use any name or title of any policy, class of policies, or certificate of membership or class of such certificate, misrepresenting the true nature thereof. Nor shall any such corporation, society or association, or officer, director, agent or representative thereof, or any other person, make any misleading representation or complete comparisons of policies or certificates of membership to any person insured in such corporation, association or society, or member thereof, for the purpose of inducing or tending to induce, such person to lapse, forfeit or surrender his insurance or membership therein.

Sec. 2. If any person shall violate any of the provisions of this section, hereof, he shall be guilty of a misdemeanor, and upon conviction, shall be fined in a sum not less than Twenty-five (\$25) Dollars nor more than Five Hundred (\$500) Dollars, or be imprisoned in the county jail not more than sixty (60) days, or by both such fine and imprisonment.

Sec. 3. The Commissioner of Insurance, upon giving five (5) days notice by registered mail, and upon hearing had for that purpose, may FORFEIT THE CHARTER, FRANCHISE OR LICENSE TO DO BUSINESS OF ANY SOCIETY, ASSOCIATION OR CORPORATION violating the provisions hereof and may forfeit like the certificate of any person to whom such insurance, where a certificate is required by Law.

BADGERS WIN OVER S. A. TEAM AND LOOSE TO MOORE.

The Hondo Badgers trimmed the B. Y. P. U. Limited team of San Antonio last Wednesday night to the tune of 29 to 17. Getting off to a good start with some accurate play, the local team led their opponents throughout the game.

The game with Moore was hard fought and furnished lots of excitement, but due to the inaccuracy of their goal tossing the locals were down in defeat.

The Badgers play a San Antonio Team, Saturday night at the Fair Grounds.

DEVINE NEWSLETS

From The Devine News.
MOVING CAMERON CHEESE FAC-
TORY AND COWS TO DEVINE.

Bernard Brown, the owner and pro-
prietor of the Devine Creamery
which is putting out around 10,000
pounds pure creamery butter each
week, slipped off Saturday to Cam-
eron, Milam County, and closed deal
with a Mr. Tucker and others, own-
ers of a first-class Cheese Factory, for
their plant, which has been shut down
for some time, and is moving the
same to Devine. Brown has purchased
a site, on the hill, north of town, for
a new building but says financial con-
ditions are such, that since buying the
new factory he will not be able to
present to build the new brick. He
hopes to build later. The cheese plant
has a capacity of 3,500 pounds cheese
the day; but he will start with one
unit in operation, adding to it as he
needs to do so. The good part of a
cheese factory, for a farmer, is that
whole milk can be used from dairy
people near the factory; while the
butter factory will use only skimmed
or separated cream, which can be
brought from a greater distance. Mr.
Brown says he will have the Cheese
plant in operation by February 1st.
He is in correspondence with a prac-
tical cheese maker, in Iowa, and one
in Minnesota, and one of these men
will be here, another family for De-
vine, in a few days. It will also re-
quire two or three extra trucks, Mr.
Brown, explained, to bring in the
whole milk. He wishes to get in
touch at once with those who wish to
sell whole milk so he can arrange his
additional milk routes.

In addition to the above 100 head
of registered Jerseys, now in milk, or
soon to be, are being shipped from
Cameron, unloaded at Natalia, for
pasturage on the irrigated lands; Mr.
Tucker, the owner will try to farm
out the bunch to dairymen who need
some more good stuff. All this 100
head, Brown says, is either already
registered or is subject to registration.
Stopping at Round Rock, Mr. Brown
visited the Cheese factory there now
going big; making over 1,200,000 lbs.
of cheese in 1932. Brown says there
is not a vacant house in Round Rock
or any sign of depression.

5,000 MORE SHEEP AND 100 JERSEY COWS.

With 5,000 lambs on feed at Me-
dina Mills, M. E. Howard informs us
that 5,000 more, another train load,
are expected this week. They have a
big adv. in this issue and say if they
cannot buy feed here they will have
to ship in. This ought to be good
news to those who have feed for sale,
as well as farmers who are planting
crops for 1933. A train load of re-
gistered Jersey cows from Cameron
have been shipped to Natalia, to go
on pasture, and feed near; these to
supply milk for the Devine Cheese
Factory.

LANDS TAKEN IN EXCHANGE FOR CORPORATION BONDS.

Several tracts of land, out of the
old Melton farms, north from town,
later owned by the Jarrett interests,
and held under the name of "South-
ern States Finance Corporation" are
being taken by holders of bonds, the
corporation liquidating its holdings,
we are told. This will be the means
of getting a lot of this irrigated la-
nd into the hands of small owners who
may be able to improve and handle
it as homes, or with tenants.

DON'T SUFFER ANOTHER DAY

Sufferers from rheumatism need more
than the mere temporary relief that comes
from the use of pain relievers. The sys-
tem must be freed from the poisons of
this agonizing disease.

When your throbbing, swollen joints be-
gin to subside, when aching nerves and
muscles begin to relax, when poisons begin
to dissolve and drain from the system, you
will know beyond a doubt that the RU-
NO-MA prescription is removing the cause
of your trouble. RU-NO-MA acts quickly
and thoroughly—contains no opiates or
narcotics—absolutely harmless. Ask your
druggist about this amazing prescription.
Send the guarantee on every box—don't

D'HANIS DOINGS.

D'Hanis, Texas, Jan. 18, 1933

Mr. and Mrs. Ed. Finger, Mrs. J. W. L. Hanley and Mrs. Abbie Hill spent Friday in San Antonio.

Mr. and Mrs. Jack Reily of Hondo were guests Sunday of Mr. and Mrs. Paul Reinhart.

Mr. and Mrs. Ferdinand Renken and Mr. and Mrs. Ferdie Huegele of San Antonio spent Sunday here with relatives.

Mrs. C. L. Klasing and daughter, Miss Norma, Mrs. J. C. Herran and John Herran were guests of Mrs. Will Nehr on Thursday.

Mr. and Mrs. Kimmerly and little daughter, Matilda, spent Sunday in San Antonio with Mr. and Mrs. De Hardt and Misses Mary and Maggie Langfeld.

Mr. and Mrs. Alphonse Boog were in San Antonio Sunday.

Mr. and Mrs. M. P. Twomey of San Antonio were here Thursday.

Miss Frances Mayfield, State Health Nurse, conducted an inspection of the physical condition of school children in the various schools of this community last week. She was assisted by Mrs. Louis Ernst, president of the D'Hanis P. T. A., and Mrs. Louis Carle, Jr., president of the Community Club. Dr. Turner examined a number of the Mexican children, and Dr. Knopp of Hondo made dental examinations on Monday. Miss Mayfield expressed satisfaction over the general health conditions here, and outlined means for "keeping well children well". All children between the ages of six and twelve will have the opportunity of receiving free of charge the toxoid injections for immunization against diphtheria. This preventive agency will be administered by local physicians in April.

BRIDGE PARTY.

Misses Lorine Zinsmeyer and Ethel Rothe entertained a number of friends on Wednesday evening, January 11, with a delightful bridge party at the home of the latter. Hand-painted tallies in a vari-colored floral design directed players to three tables. Miss Alice Rohrbach received the prize for high score, and Miss Sarah Koch cut high for consolation. Delicious tuna sandwiches and hot chocolate were served to Misses Stella Finger, Irene and Leona Pomeroy, Bernice and Irene Carle, Armine and Lillian Fohn, Sarah Rothe, Alice Rohrbach, Sarah Koch, and the hostesses. The evening concluded with the organization of a club, the rules of which will be formulated at the next meeting.

SECO SCHOOL NOTES.

A physical inspection of the children at Seco School conducted by Miss Mayfield, Texas State Health Nurse, on Friday afternoon, January 13, revealed a condition of good health in this group. Bad teeth, diseased tonsils, and one or two cases of slight eye weakness were the only defects reported. Mrs. Louis Ernst of the D'Hanis P. T. A. assisted in the examination as did several members of the Seco Community P. T. A. Miss Mayfield gave a brief talk to the children, stressing health habits they should develop, and later addressed the adults on matters of hygiene in school and child welfare, urging that delegates be sent to the County Council meeting at Devine, and expressing appreciation of the activity shown by the P. T. A. of this Community.

The meeting of the Seco Community P. T. A. which had been postponed from Jan. 6 was held at the school Monday night, Jan. 16. Mr. Alfred Hudingier rendered a few very enjoyable songs, accompanying himself on the guitar. The meeting was called to order by the President, Mr. Hubert Lutz, and reports of committees were heard. Miss Josie Rothe gave a report of the health inspection conducted in the school by Miss Mayfield on Jan. 13. The Junior members of the Club planned to present a play in February for the purpose of raising the club funds. The meeting adjourned and a social hour was enjoyed during which refreshment consisting of coffee and doughnuts were served by the hostesses, Mrs. Ed. Weyand and Mrs. H. C. Rothe.

ST. ANTHONY'S COMMUNITY CLUB.

The regular meeting of St. Anthony's Community Club was held at the Parish Hall on Friday afternoon Jan. 13. Mrs. Et. Filling sang a delightful old German carol significant of the Christmas season. This was followed by two readings by Mrs. Adolph Lamm; one was a paper on the effects of example on the character of a child, and the other concerned manners in the home. Miss Frances Mayfield, State Health Nurse, addressed the meeting; she explained the purpose of her work and gave advice to the mothers on how to keep their children in good health.

The president of the Club, Mrs. Louis Carle, Jr., presided at the business session, which was opened with a prayer. Mrs. Ed. Koch called the roll. Reports of committees were heard and plans for a benefit party to be given in February were discussed. Mrs. A. J. Finger being appointed as chairman of a committee to plan a program.

The hostesses for the January card party announced that they would entertain on Saturday evening, January 21, the games to begin at 7:30 at the Parish Hall. Mesdames Bill Brown, Louis Ernst, Adolph Lamm, Henry Poerner, Eric Rothe, and Chas. Hubbard are on the committee.

One of the largest shippers of Panhandle, on the Santa Fe, is the Carson County Creamery, growth of whose business has been almost phenomenal. The creamery recently had its largest single day's production shipping 4,000 pounds of products.

PACKING THE CHILDREN'S LUNCH BOX.

By Juliette Frazier.

School days are here! Once again many mothers are putting up lunches every morning for their children to take to school. Because this is done every day, it is apt to become monotonous. Too many mothers have a way of packing into the lunch box anything that happens to be left over, quite indifferent to its body-building properties.

School children need three nourishing meals a day. Mothers do not always recognize the importance of having every meal a complete meal, in which case the lunch is usually given the least consideration. The mid-day meal is equally important as the other two meals, because children exercise both mind and body during school hours, consequently they need more instead of less nourishing food at noon.

The intelligent mother, when she packs the lunch-box will bear in mind the various constituents that go towards building a perfect body and strive to include every one of these in her children's daily menu. She must remember there are proteins, starches, fats, sugar and mineral compounds to be considered. She must realize that the luncheon which goes to build bodies for our future citizens is too important to be merely a happy way of using left-over foods.

The daily packing of the lunch-box need not be a difficult task if one gives it a little forethought. There should be a drawer in the pantry devoted to luncheon supplies, paper napkins, paraffin paper bags and a ball of twine.

Sandwich fillings are legion. The following suggestions are especially pleasing to children: cheese, cottage cheese and chopped walnut meats, cottage cheese and grape marmalade, cottage cheese and chopped olives, thin slices of ham or cold meat, peanut butter, egg and sardine, baked beans, bacon and olives, mayonnaise sprinkled with chopped walnut meats and topped off with crisp lettuce leaves.

There are many varieties of dark, coarse bread which are more nourishing than white bread, and which will be found to be a great help in making appetizing sandwiches. For instance, whole-wheat bread blends well with most any kind of nut filling; rye bread goes well with various kinds of cheese; oatmeal bread lend itself to a large variety of sweet fillings; Boston brown bread with a filling of grated cheese beaten to a paste with a little cream and seasoned with salt and pepper, makes a delicious sandwich.

Sweets are also essential, but these need not be in the form of cakes, cookies and doughnuts. Raw figs, dates, raisins, or prunes will furnish the required sweet and be relished plain or in combination. Baked or soft custards, simple puddings and fruit rolls may also be added to the list of wholesome desserts.

Variety and attractiveness should not be overlooked for children, as well as grown-ups, soon tire of eating the same things. A cold lunch consisting of practically the same form and flavor of food day after day does not tempt; especially if it is just "slammed together" as is often the case. Unless the lunch consists of a variety of appetizing foods and is attractively put up, the mother need not be surprised if the child brings more than half of it back home.

HOW MODERN WOMEN LOSE FAT SAFELY

GAIN PHYSICAL VIGOR—YOUTHFULNESS WITH CLEAR AND VIVACIOUS EYES THAT SPARKLE WITH GLORIOUS HEALTH.

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—in 4 weeks get on the scales and note how many pounds of fat have vanished.

Get a bottle of Kruschen Salts—the cost is trifling and it lasts 4 weeks. If even this first bottle doesn't convince you this is the easiest, safest and surest way to lose fat—if you don't feel a superb improvement in health—so gloriously energetic—vigorously alive—your money gladly returned.

But be sure for your health's sake that you ask for and get Kruschen Salts. Get them at W. H. WINDROWS or any drugstore in the world. Mail orders filled.

NO VALUE IN SCRUB SIRE.

By L. A. Hawkins.

Agricultural Extension Department International Harvester Company.

For a long time we said "the scrub must go" and as time goes on we are seeing satisfying results of this slogan in many parts of the country.

As a rule where live stock has been most used and best improved we find better homes, splendid people and the highest type of citizenship.

Whenever people get through robbing the soil and begin to develop a permanent, home-making agriculture, we find live stock taking its place. But it is impossible to improve breeds of live stock without using good sires.

That the sire is more than half the herd cannot be rightfully questioned. Because the sire is mated to a large number of females his selection is of great importance and cannot be made too carefully.

A good sire is one that possesses to a marked degree, the type desired in offspring and the propensity to fix that type. The sire of greatest value is not the one that sires a few exceptional animals but the one whose offspring are all above the average.

A sire should be pure bred not merely being a pure bred does not mean the animal is a good one to use in breeding. He may have a fancy pedigree, yet be a scrub individual, so other things than just his pedigree must be considered.

A "pedigree" and a certificate of inspection are valuable only when they apply to a useful, prepotent animal. When the papers show the animal had useful ancestors, bred by honest men, they have real value.

Remember a sire may be pure bred, be of good type, have good ancestors and be prepotent, yet he cannot improve our stock unless his offspring have good feed and good care.

Get rid of the scrub sire whether he is a scrub individual or is of scrub breeding.

Breed only the best females and do not use scrub feeding methods.

Don't be a scrub man and keep scrub animals.

Get a good pure bred sire and start in on the right track to build up the quality of your livestock.

Get rid of the scrub.

TEXAS FRUITS AND VEGETABLES.

Shipments of fruits and vegetables from Texas orchards and truck farms during the twelve months ending September 1, 1932, totaled 50,153 carloads, as compared with 55,972 during the previous season, according to compilations of the Bureau of Business Research at the University of Texas. No records are available of shipments by truck.

Damaged by freeze last March, the tomato, peach, strawberry and early summer vegetable crops were cut almost in half. Whereas 8,563 carloads of tomatoes were shipped during 1930-31, only 4,197 carloads were shipped during the season just closed. Mixed vegetables dropped from 8,669 cars in 1930-31 to 7,284 cars in 1931-32; only 6,371 carloads of spinach and 6,135 carloads of cabbage were shipped during the past season as compared with 7,100 and 8,565 carloads respectively in the 1930-31 season. Watermelon loadings amounted to only 3,117 cars as compared with 4,023 cars the preceding year. Potato shipments dropped from 5,022 cars in 1930-31 to 3,435 cars in 1931-32. Only about half as many cars of beets and green corn were shipped in 1931-32 as in the preceding year.

Grapefruit and onion shipments showed the largest gains, the former increasing from 2,096 cars in 1930-31 to 5,230 cars during the season just closed and the latter increasing from 5,562 cars to 8,039 cars. Unusually large relative gains were made in all other citrus fruits, cauliflower, green peas, carrots, turnips and rutabagas, and greens.

Prices rose gradually throughout the shipping season, it is indicated by the gain in the United States Department of Agriculture index of fruit and vegetable prices, which rose from 62 in February to 83 in July. This index refers to prices paid producers of farm products in the entire United States. Returns to Texas producers of fruits and vegetables are not yet available.

The Mid-Continent Steel and Iron Corporation, capital \$1,500,000, is being organized at Dallas to undertake development of the huge ore deposits in East Texas counties. Using Texas raw materials, the company will manufacture steel. The ore deposits, inexhaustible fuel supplies, good transportation and satisfactory labor conditions were given as the reasons for the company selecting Texas, plus the fact that Texas is buying annually more than \$5,000,000 worth of steel from other states.

If

LIVING HABITS

were Uniform

If EVERYONE lived in the same type and size of home, used equal amounts of hot water, and did the same amount of cooking, then gas bills for families of the same size would all be about equal. Furthermore, if temperatures were fairly uniform throughout the year your gas bill for each month could be accurately estimated in advance.

But actually, neither living habits nor weather conditions are uniform. Therefore, when we say that our residential customers pay on the average 11c per day for all natural gas requirements, we are dealing with figures which level out the varying requirements of different families.

As a matter of fact the amount of gas service required for the comfort and convenience of yourself and family, fix the amount of your monthly gas bills, in winter as well as summer.

Of course, you are interested in obtaining the maximum convenience and economy from your natural gas service. So

Down where the "Heating" Begins

During these winter months, when temperatures frequently drop to a point where heating of homes is required, your company maintains a temperature chart in each of its offices for your convenience. By consulting these charts you can secure accurate information on weather conditions for the period covered by your gas bill. Keep in mind that temperatures of 65° or lower are heating days. Take advantage of this service by visiting your nearest gas company office.
